Dear Sir,

Thank you for contacting the Office of the Georgia Safety Fire Commissioner with your concerns. Those concerns were forwarded to me for a response. You would like a copy of the variance granting the Fox Theatre permission to chain off the fire curtain during the showing of the Lion King. In order to obtain such documentation you will need to make an open records request to the City of Atlanta Law Department (404-330-6402; 55 Trinity Ave SW, Ste. 1790 Atlanta, Ga 30303).

Sincerely,

Vincent C. Wiegand, Esq.

Director, Administrative Procedure Division
